## 45 Years. One Promise. Endless Possibilities

- Established in 1980 — 45 years of colour mastery
- 13,500 square meter plant – Vatva GIDC, Ahmedabad
- Leading manufacturer of Petroleum Fuel Dyes, Aviation Smoke Dyes, Flame Retardant, Tracer Monomer, Metal Phthalocyanine, Naphthols
- Speciality chemicals for Oils, Polymer, Rubber, Dyes, Coatings, Aqua & Agro chem
- Advanced Effluent Treatment Plants. Sustainability at heart

**We build bridges  
of trust to cross  
oceans of  
opportunity**

## Core Offerings

- 1 **Liquid Solvent Petroleum Fuel Dyes & Fire Suppressant Dyes:**  
Approved in Largest Global Refineries. For oils, petroleum products & aviation fuels - identification, anti-adulteration & regulatory compliance
- 2 **Linear & Branched Para Dodecyl Aniline:**  
Detergent & dispersant for Lube Additives, Acid Dye intermediate, household cleaners, Rubber & Polymer Heat Stabilizer & Agrochemical
- 3 **Candle Liquid Dyes** for paraffin, soy, and gel wax
- 4 **Fluorescent Tracer Monomer:**  
Approved by one of largest MNC conglomerate. Real-time monitoring of water treatment dosing, leak detection & tracing in processing/wastewater
- 5 **Azo Dye Markers** to give fuel a signature colour, detection of mixing, misuse or adulteration. Prevent fuel adulteration & tax evasion
- 6 **Naphthols ASCL, ASCA, ASLC, ASOL, ASBI:**  
Versatile azo dyestuffs forming organic pigment for textiles, Ink & coating

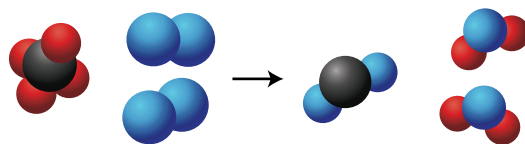

- 7 **Metal Phthalocyanines:**  
Rubber peptizers, reactive dyes & oxidation catalysts
- 8 **Smoke Dyes:**  
For Air force aerobatic displays & airshows, Military Signals & Rescue
- 9 **UV Absorbers (1577, 1164, 2500):**  
Lubricants, Polymers & Coatings
- 10 **Water-Glycol Soluble Dyes:**  
For Radiator Coolant, Heat-Transfer Fluids, leak detection & color coding for coolants and heat-transfer fluids
- 11 **Cargo Dyes:**  
Fuels, petroleum products & heating oils (gasoline, diesel & oils) for identification & curb tax evasion
- 12 **PPM Triazine Polymer Additive:**  
Cable Compounding, Masterbatch Industry & Intumescent Coatings.  
Swiss Patent made in India.  
European Patent: EP 08008717.4 and EP 08015381

## Beyond Manufacturing

- 1 **CDMO: Contract Manufacturing, Tolling & Outsourcing**  
Custom Development of Molecules & Manufacturing specialty chemicals under strict confidentiality ensuring supply security. Custom, scalable, IP-secure
- 2 **Joint Venture**  
In collaboration with MCA Technologies, we manufacture PPM Triazine - patented, eco-friendly halogen free flame & fire retardant synergist for Cables, Polymer, Masterbatch & Compounding
- 3 **Sourcing, Outsourcing & Trading Support**– Global network, local execution
- 4 **Reaction Profile**
  - Amidation
  - Sulphonation
  - Condensation
  - Esterification
  - Heterocyclic Synthesis
  - Multi-step synthesis
  - Reduction
  - Oxidation
  - Nitration
  - Diazotization
  - Hydrogenation
  - Friedel–Crafts Acylations

## Contact & Touchpoints

Let's co-create colours, chemicals, connections, and collaborations

### **Corporate Office**

Chitrakoot, Opp. C. N. Vidyalaya,  
B/h Shakuntal Complex, Ambawadi,  
Ahmedabad, Gujarat, India – 380006

### **South Mumbai Office**

381-A, Narottam Wadi,  
Kalbadevi Road, Mumbai - 400002, India

### **Manufacturing & R&D Facility**

Plot Nos. 12 & 14, GIDC Estate,  
Phase I, Vatva, Ahmedabad, Gujarat,  
India – 382445

### **USA Strategic Outreach**

Outsourcing & Procurement  
Solutions
